

PACKING BROCHURE

Preface

At STAPPERT Noxon our goal is to deliver the highest possible quality and to give the best possible service. An important part is to pack the products in a correct way to ensure delivery in the best possible state. This brochure will show you how we pack your orders.

In order to make this service possible, we have to charge you a small contribution for the costs. We will only use packing materials of good quality. The packaging charges will be mentioned separately on our invoices.

For further questions and suggestions, please feel free to contact us.
